

GREENHEART LEARNING PARTNERSHIP

Year Three Autumn 1 Newsletter

I hope you have had a well deserved rest over the holidays and are looking forward to an exciting Year 3!

Important

Year 3 will have Tennis on a **Tuesday** and PE on a **Friday**. They must bring in a **PE kit** which will be sent home on Friday.

Many children will be starting the Accelerated Reader programme. They will independently select a book to read from the bookshelf. Once they have read the book, they will complete a quiz before changing their book.

For our Talk for Writing topic, Year Three will be writing a Warning Story wherein a character ignores a warning and suffers consequences. They will perform, innovate and write their own version of *The Stone Trolls*.

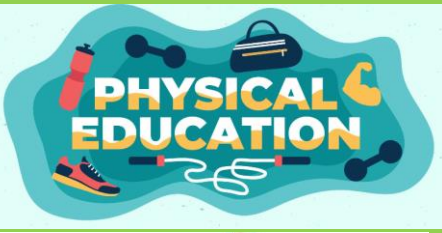

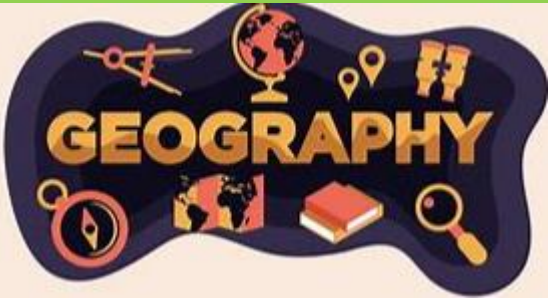

In Maths Year 3 will learn all about Place Value, including how to represent numbers in different ways. We will use our place value knowledge to practice addition and subtraction.

In Science we will learn about how Rocks and fossils are formed and explore the properties of rocks and their uses.

In History we will travel back millions of years and learn all about the origin of man in our Stone Age topic.

	<p>In Computing, Year Three will consider how to keep ourselves safe in the Online Safety topic.</p> <p>We will also learn about Computer Networks.</p>
	<p>In PSHE we will learn practice mindfulness and learn more about each other in the Being Me in My World topic.</p>
	<p>In Religious Education we will learn about the importance of family in different religions and learn about family rules.</p>
	<p>In PE children will develop their balance and coordination skills in Tennis and athletics.</p>
	<p>In Music Year 3 will be taught how to play the recorder by a music teacher.</p>
	<p>In Art, Year 3 will practice how to draw accurately using different sketching techniques in our Portraits topic.</p>
	<p>In Geography we will explore the Mountains and Rivers of Great Britain. To coincide with our History topic, we will consider how our environment influenced our ancestors.</p>
